Donate and get some Sac Republic gear!!!

As you know our program is free for all children. We get donations from some small businesses and other source, but we always ask people who can afford to donate to keep our program going and expanding.

Thanks to our partnership with Sacramento Republic FC, we have a way to thank you for your generous donations. On May 26th we will be drawing prizes for all people who donated to our program this year. For every \$20 you donate, you get one ticket in our draw. The prizes include Sac Republic soccer ball, 4 tickets to any Sac Republic game (2 items), 2 tickets to any Sac Republic game (5 items), and Sac Republic T shirts (5 items). All you have to do is to donate and you will be automatically entered into a draw. People who already donated will be entered automatically. Thank you for your generosity and supporting our program!
